Moving to New Zealand

Important information to prepare for your arrival in New Zealand.

Before leaving home, make sure you have all relevant information and paperwork to enter New Zealand, and that you have planned your travel through to New Plymouth, arranged your accommodation and set up your New Zealand bank account.

Accommodation

- It is important that you arrange where you are going to live before you arrive in New Zealand.
- If you are under 18 years of age, you are required to live in WITT approved accommodation. This must be arranged before you arrive in New Zealand.
- Students 18 years and older can live in any accommodation. Check out our website for accommodation options and contact details.

On campus – Te Henui Lodge

The lodge provides hostel-style living located on the Bell Street Campus. Residents must be 18 years of age or older to live at the lodge.

It offers spacious, secure, modern facilities with a live-in manager. You can have your own room and bathroom or you can share a room (subject to availability). There is a shared dining room, living room, TV room, kitchen and laundry.

- On arrival you will be required to pay 4 weeks bond and 1 week's rent in advance.
- There is a minimum of 1 week's stay.

For more information or an application form go to: tehenuilodge.co.nz or email stay@tehenuilodge.co.nz

WITT cannot guarantee that rooms at the lodge will be available and we strongly recommend that students apply for accommodation as soon as possible to ensure they do not miss out.

Private rental (flatting)

'Flatting' is when you rent a house or apartment. You can flat on your own or with others. Flats are usually unfurnished. You may have your own room or share with others. Rent is usually paid per room with all other expenses (food, power, telephone, internet) divided, and cooking and cleaning shared.

Prices vary from \$200 – \$300 per room per week.

To find flats to rent go to the [property section of the Trade Me website](#).

Tenancy services is a government agency that can help you with information about the rights and responsibilities of both tenants and landlords. Find

this information at tenancy.govt.nz.

For advice and support with accommodation see the [kaitakawaenga/pastoral support staff](#).

See the [accommodation page](#) on our website for more information.

Opening a New Zealand bank account

Students can experience issues with setting up appointments to open a bank account in New Zealand.

To avoid delays, we strongly recommend that students open and set up an account prior to their departure.

You can find more information on opening an account via the [ANZ website](#).

Your arrival

Arriving at Auckland International Airport

When you arrive at Auckland International Airport you will need:

- Passport and visa documentation
- Completed passenger arrival card

Go to baggage claim to collect your bags. After collecting your baggage, proceed to the exit where your passenger arrival card will be checked by an officer prior to passing through Customs and the New Zealand quarantine inspection service.

When you have cleared customs at Auckland International Airport, you can choose to either walk across to the Domestic Terminal or catch the free bus. The walk will take about 10 minutes, it is well signposted and the pathway is very flat – follow the green line and enjoy a walk in the fresh air after your flight. At the domestic terminal you can check in for your flight to New Plymouth.

How will I get to New Plymouth?

New Plymouth is about 350km south of Auckland.

Choose to fly or bus to New Plymouth. The flight is 50 minutes and the bus trip is about seven and a half hours. Please ensure that you arrange your internal travel prior to your departure.

Booking domestic flights

- Go to the [Air New Zealand website](#)
- You must have a credit card to be able to book online.
- When booking your flight to New Plymouth, please allow at least three hours from when your flight arrives in Auckland and the departure time for New Plymouth. If the international flight is delayed or there is a hold up at customs, the domestic flight ticket may not be transferable and it is expensive if another flight is required.
- Shuttle buses and taxis are available at the airport for transport into the city. A shuttle bus will cost approximately \$30 and a taxi will cost \$50 - \$70.

Booking bus transport

- Book your bus online via [the Intercity website](#)
- You must have a credit card to be able to book online.
- Please allow at least three hours between the scheduled arrival time at Auckland Airport and your bus check-in time.
- There is a bus stop at the Auckland International Airport Terminal.

Keep us informed

Complete the [International Student Arrival Form](#) to advise us of your travel and accommodation details as soon as these are confirmed – even if you are being met by friends.

Bring warm clothing and a rainproof jacket— even if you are arriving in the summer.

Culture shock

Living in another country can be fun and exciting but sometimes you may experience feelings of loneliness, frustration and sadness.

Sometimes you may feel as if you don't know what to do or how to do things in New Zealand. This is called 'culture shock' and many international students living in another country are affected by it in some way.

- Keep busy.
- Join a club in the community or group on campus or do voluntary work.
- Keep fit.

Remember, culture shock and missing home is a normal part of adapting to another country and given time, you will soon get used to the new ways of doing things. Here are a few suggestions that may help if you are homesick:

- Bring familiar items from home to your new country.
- Keep in contact with family and friends in your home country.
- Get plenty of sleep and eat good food.
- If course work is proving too difficult, talk to your tutor or a Learning Advisor.

You can find more information on culture shock and homesickness via the [Immigration New Zealand website](#).

Health services

There are good professional health services in New Zealand including doctors, pharmacies, dentists, hospitals and health specialists.

It's a good idea to find out where the local doctor, dentist and hospital are located in case you get sick or have dental problems.

If your English is poor, take a translator with you when you visit a health service.

Medical insurance is compulsory for all international students living in New Zealand. Medical insurance will cover medical, specialist and hospital costs while in New Zealand.

For information on the New Zealand health system go to the [Ministry of Health website](#).

Studying in New Zealand

The Education (Pastoral Care of Tertiary and International Learners) Code of Practice

New Zealand's quality standards

All international students enrolled with a New Zealand education provider are covered by the New Zealand Government's Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021.

This is legislation that outlines the level of care that education providers, and their agents, must provide to international students while they live and study in New Zealand.

The education system is regulated with strong quality assurance systems across the board.

In general, as an international student you can expect that:

- the quality of teaching and learning you receive will meet high educational standards
- the marketing and promotion information you receive before you enrol is clear, complete and accurate so you can make a well-informed decision about whether an education provider is the right choice for you
- education providers' agents give you reliable information and act with integrity and professionalism
- you will receive enough information and support to help you with your enrolment, including understanding the legal obligations you have, and that you will receive all the proper documentation
- you are welcomed and have enough information, guidance and support to help you settle into your new life in New Zealand
- your study environment is safe, and that you have a safe place to live

The New Zealand Government's Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021 is a document that clearly outlines the full legal requirements that education providers enrolling international students must abide by – to read this, go to the nzqa.govt.nz

You may wish to seek advice.

Before signing if you have any concerns you can seek advice from:

[Citizens Advice Bureau](https://www.citizensadvice.govt.nz/)

Complaint overview

How do I voice a concern?

In the first instance you are encouraged to raise your concern directly with the relevant staff member and seek resolution. It is often helpful to discuss your concern with someone else who can provide initial advice, such as our pastoral support staff, counsellor, nurse or chaplain.

What if my concern is not resolved or I wish to make a formal complaint?

If your concern is not resolved or you wish to make a formal complaint you can do so by:

- completing a confidential Complaint Form
- written letter or email

You can see our [Complaints Policy here](#) and our [Student Voice policy here](#).

What happens to my formal complaint now that I have raised it?

All formal complaints are forwarded to the Complaints Officer, who will log your complaint and forward to you a letter or email of acknowledgement, within seven days of receipt of complaint.

The Complaints Officer will forward your complaint for investigation. The investigation may involve discussions with you and/or other parties involved.

Once your complaint has been investigated you will be notified in writing of the outcome of the investigation and any action/s to be taken (where applicable). If the complaint is unresolved or you are not happy with the outcome, you have the right to appeal. Refer to Policy Appeals.

If you are not satisfied with the outcome of your complaint, or the way it was handled, you can make an appeal at www2.nzqa.govt.nz/about-us/contact-us/complaint/

Or phone 0800 697 296

Forward completed complaints to: The Complaints Officer / Quality Assurance Division, PO Box 160, Wellington 6140.

If it is a financial dispute, you can contact iStudent Complaints. Phone 0800 00 66 75. More information is available at studycomplaints.org.nz/

Will my complaint affect my marks?

Complaints are seen as opportunities to make improvements. WITT is committed to ensuring that any person raising a concern or complaint is protected against harassment, retaliation or victimisation. If at any time you feel you are being treated unfairly for making a complaint, you can bring this to the attention of the Complaints Officer.

International students conditions of enrolment

Refund policy:

- 1.1 Refunds of tuition fees will be made in accordance with the Policy and Procedure Domestic and International Ākonga Withdrawal, Transfers and Refunds:
- 1.2 By accepting a place in a programme at WITT, an international student enters a contract with WITT for the period of the one academic year (or for the length of the programme if less than one year).
- 1.3 There is no automatic right to a refund of fees if a student changes his/her mind about studying at WITT. Supporting information must be submitted in writing to the enrolment team with any refund application.
- 1.4 If Immigration New Zealand (INZ) refuse to grant an initial student visa for study in New Zealand the student is entitled to a 100% refund of the tuition fee, less a \$500 administration.
- 1.5 No refunds to international students will be given after the programme has commenced.
- 1.6 Full refunds may be given if:
 - WITT is unable to proceed with the programme or course offered
 - WITT ceases to be a Code signatory
 - WITT ceases to be a provider
- 1.7 Other refunds may be given if:
 - An international student's visa renewal is beyond the expiration date and the student cannot obtain an Interim Visa, the student will not be able to attend classes, and is not entitled to a refund of fees
 - A student in a semester-based programme who gain permanent residency will not receive a refund of fees for the semester in which residency is granted. However, they will be treated as a New Zealand Permanent Resident for the following semester and refunded any international fees paid beyond the semester in which residency was granted
 - International students in programmes designed with full-year non-semester based courses must pay the international fees for the full year, regardless of the date on which permanent residence has been granted during that year
 - If a student wishes to withdraw or transfer to another institution, his/her application and notice is received by the enrolment team prior to programme commencement, a refund of 70% of tuition fees paid will be given (30% is retained for administration purposes). The registration and homestay placement (if applicable) are not refundable.
- 1.8 Refunds will be paid in New Zealand dollars:
 - To another institution
 - Into a nominated bank account.
- 1.9 WITT will not be liable for any exchange rate loss or bank fees charged upon repayment of a refund.
- 1.10 Exceptions may be made in exceptional circumstances for compassionate reasons. Compassionate grounds are considered to be events outside the individual's control that could not have been predicted and that have had a significant impact on the person's ability to continue studying in the current academic year or the foreseeable future. This could for example include such things as significant accidents or personal injury to self or a close family member that would affect the student's ability to continue studying. Compassionate grounds will not be considered sufficient for a refund of fees where the student could have continued in the programme with support or where the student has chosen to withdraw for other reasons.
- 1.11
 - Consideration may be given to a refund upon receipt of written evidence which must be submitted by the student, or the school on the student's behalf, to Registry at the same time as the completed Change of Enrolment, Withdrawal and Refund Form
 - Exceptions may also be considered on the grounds of medical, supported in writing by a health professional
 - The application should be made prior to withdrawal, or where circumstances prevent prior application at the earliest possible time
 - All withdrawals for compassionate consideration must be forwarded by the Information and Enrolments Administrators to the Director – Corporate Services.

The decision to refund fees on compassionate grounds will take into consideration the length of time in a programme/courses. The Director – Corporate Services has authority to decide the refund on compassionate or other grounds for any individual case.
- 1.12 Variations to Policy

Under exceptional circumstances, the Chief Financial Officer may authorise a variation to rules set out within this policy. Requests for any variation in policy must be submitted in writing.

Termination of tuition

- 2.1 WITT reserves the right to terminate a student's tuition in the following circumstances:
- Continued and unexplained absenteeism
 - Provision of false or misleading information by the student on enrolment
 - Insufficient academic progress
 - Failure to pay fees
 - Where WITT is unable to guarantee accommodation for an international student due to the student's behaviour

 - An inability to attend due to reasons such as illness or family obligations, where the student cannot make up the missed course time and will need to re-enrol to complete the course
 - Any breach of disciplinary regulations
 - Being unable to comply with The Code regulations to ensure duty of care.
- 2.2 Please note that students have the opportunity to respond to any allegations of prejudicial information before a termination is made, and all students have the right to appeal any decision in accordance with Academic Appeals policy and procedure.
- 2.3 All terminations of tuition will be reported to Immigration New Zealand.

For more information on termination of tuition, on the appeal process and on your rights as a student and the obligations of WITT, see the Student Charter or contact international@witt.ac.nz

Fee protection policy:

- 3.1 In the event that WITT chooses not to offer a programme, enrolled students will have their funds returned in full. In the event of an insurable disaster, e.g. fire, flood, WITT is insured by a Business Interruption Policy. This policy provides for the running of our programme at an alternative site, or meeting contractual obligations to refund students where WITT is unable to deliver as a result of the insurable event.

Insurance

- 4.1 Travel and Medical Insurance is compulsory for international students for the period of their visa. A provision for the insurance premium is included within your Offer of a Place. If you wish to provide your own insurance, you must provide a copy of the insurance policy, translated into English, to WITT for verification of acceptable cover. The premium will be refunded on arrival at WITT on submission of appropriate evidence.
