

# T-Shirt Screenprinting

One day workshop

Domestic Fees

\$118

[witt.ac.nz](http://witt.ac.nz)

## One day workshop

Suitable for beginners and those wishing to learn the process of screenprinting, this short course will teach students how to design and plan an image, prepare and expose screens, and print onto a t-shirt. There will also be some sample images and designs for those who want them. Wear your art home! Two shirts will be provided to each participants, but bringing extras from home is highly encouraged.
